

## Donahies Community School, Dublin 13 Tabara Project – 2008 & 2009

The Donahies Community School in Dublin has been involved in a very successful project with Comber in Romania since 2008. In 2008, 2009 and 2010 the students have raised funds, travelled to Romania and organised a summer holiday (*Tabara*) for beneficiaries living in Comber's group homes.

In 2009, 20 students and teachers and Comber's beneficiaries went on holiday for 5 days in the mountains in Romania.

In 2008, 25 students and teachers and Comber's beneficiaries went on holiday to the Black Sea. For many beneficiaries, this was their first holiday and first time to visit the sea.

*"This experience was the best thing I have ever done. Romania was great. The people we worked with were the nicest, kindest people I have ever met. I am really looking forward to going back again. I can't put it in words how excited I am. I will remember this experience for the rest of my life. I will also recommend to anyone this type of work. All my memories of Romania are all positive, I have absolutely no negative memories at all."*
